## Tree Removal

On Wednesday February 20 the workmen came to remove a dangerous tree from the courtyard. 1M have some stories of the experience to share .

Today we saw the big tree getting cut down at school. The worker had a rope and then he got a chain saw and cut the tree down and it made a massive bang.

## Dear Parents and Caregivers,

### Meet the Teacher

Last Tuesday, all classrooms were involved in our "Meet the Teacher" evening. It was a fantastic opportunity for parents and carers to meet their child's teacher and find out some information about the year ahead. It was wonderful to share a sausage sandwich and chat with the different families. Thank you to everyone who also used the opportunity to book a time to tell the class teacher any additional information about their child.

### Health Care Plans

Our school asks for medical information when you enrol your child. It is also important that you let us know if your child's health care needs change or if a new health condition develops.

Information about allergies, medical conditions such as asthma and diabetes and other health care related issues (including prior conditions such as medical procedures in the last 12 months) should be provided to the school by parents.

Please contact the school if you require a health care plan to support your child's health and wellbeing.

Students with existing plans should be reviewed on an annual basis and updated by a medical professional.

### Congratulations

The following students have been successful in being selected to represent Woodland Road PS in the Zone soccer team: Pyper Pearson, Stacey Ellis and Hannah Spannenberg. Huge congratulations to the girls and we know that they will represent us with pride.

### Scooters and Bikes

It has come to our attention that some students are riding their scooters and bikes on school grounds. This is a reminder that this is against our school rules and can be potentially dangerous to students, visitors and staff. I would ask for parent support on this matter in ensuring that their children are aware of the rules and walk scooters and bikes from any of the entry points to the school. Please be aware that this also applies to any toddlers who enter the school grounds. The bike rack has been relocated towards the bottom gate near C block to reduce the need for bikes and scooters to be in the main quad. Please see me if you have any questions.

Have a great fortnight.

Kind regards

Chad Harris          Principal

## THANK YOU

We would like to thank our wonderful Parents & Citizens Association for your donation of \$17,000 for new home readers for our K—6 students. Our P&C have not only provided the substantive donation from their fundraising but have tirelessly stamped and organised the books so students can have immediate access to them. The students and staff of Woodland Road Public School greatly value your partnership in education.
