Easter Messages	1
Greatest Shave	2
Principal's Report	3
P&C / Asthma Plans	4

On Tuesday April 2, Woodland Road Public School hosted the World's Greatest shave with Claire, Annabelle and Mr Berger being shaved, Hannah part shaved and coloured, Isabel cut and coloured and Kacie, Brooke and Lily-Ann coloured. All money raised will go to the Leukaemia Foundation to help sick people. The long hair goes to the Leukaemia Foundation also for wigs and the short shaved hair goes towards making sponges to help clean the ocean. We also had a cake sale and raised \$230 as well as the \$5255 we raised so far for the shaves. We were excited to participate but were a little nervous that our parents were doing the shaving. We were so happy to be able to help people in need and would be happy to do it all again next year.

After Mr Berger had his head shaved we all got to paint it with the Roosters' colours. It looked hilarious.

Thank you to everyone who kindly donated, we appreciate your support.

Dear Parents and Caregivers,

Garden Update

We have completed construction of another garden at the entry of the school. This is part of our beautification program. We are currently seeking prices for a new school sign to be installed on the Hall along with additional signs promoting our school rules. In coming weeks, every class will adopt a garden around the school and be involved in it's maintenance.

Technology Upgrade

We are currently updating our strategic plan for technology across the school. Early next term we will be installing new touch panels in the two kinder classes and in the library. This program will continue for the next 3 years where existing interactive boards will be replaced with touch panels K-6.

Part of this program will see the school purchasing additional laptops for use in classrooms.

Library Update

The library will be involved in a "facelift" in coming months. We will be looking at making changes to the configuration, furniture and use of technology. Watch this space.

Thank you all for a wonderful, productive start to the year. We wish you a safe and enjoyable break with your family and look forward to the start of next term.

Kind regards

Mr Harris Principal

Thursday April 25 ANZAC Day March and Service

This year our school will be again participating in the ANZAC Day March in Campbelltown.

Students who wish to participate need to wear their **school uniform** as a sign of respect and meet Mr Berger at **8am** on the corner of Queen and Allman St, opposite Flowerdrum Restaurant.

The march will start at **8.40am** and will travel from Queen Street to Mawson Park.

Parents will then need to collect their children from Mr Berger at Mawson Park.

At 9.15am the main commemorative service will take place, where our school captains will be placing a wreath in commemoration on behalf of the Woodland Road School community.

Does Your Child Suffer from Asthma?

Does the school have your child's Asthma Plan from your doctor?

Does the school have a puffer for your child or does your child carry their puffer?

It is important as duty of care that these requests are met so please make sure if your child suffers from asthma that these plans are in place and your child has a puffer available to them as safety is priority with this and any other health care plan. If you haven't already done so please send it to the office as soon as possible and be aware that these plans need to be updated every 12 months.

Thank you!
